

CENTRAL VALLEY TOWN

RESOLUTION 2023-007: GENERAL PLAN

A RESOLUTION TO ADOPT THE CENTRAL VALLEY TOWN GENERAL PLAN AS UPDATED JULY 19,2023.

WHEREAS Utah state law requires that all municipalities have a general plan. Not only is this general plan intended to fulfill the requirements of the State, but it should provide the Town with a valuable resource to help guide current and future decisions.

WHEREAS before this update, certain steps were taken to ensure that the adopted general plan will continue to hold the best interest of the citizens of the Town.

WHEREAS residents have been involved in creating the goals and visions that shaped this general plan. To establish the values and opinions of the residents of the Town, a survey was sent through the mail and online to each household within town boundaries. The survey results have helped to shape the general plan to portray the great values of the Town. You can view the survey questions in the appendix.

WHEREAS throughout this process, there were multiple public hearings held. Any public input gathered was then used to help shape a series of goals and action steps, which reflect the direction chosen by city officials and residents. The created goals are end points, which are intended to be met through the specific steps provided in the action steps. Further, the town policies show how the action steps might take place in a fashion that will allow goals to be met.

WHEREAS the general plan has been reviewed in a town council meeting to adopt the final draft of the General Plan. The goals and action steps provided in this general plan are general in nature, with the intention of allowing flexibility in how the Town might achieve them.

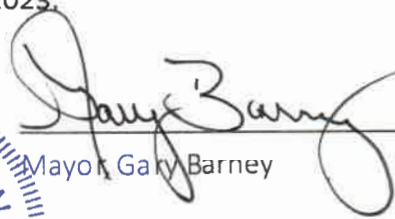

NOW THEREFORE, the Town Council of Central Valley, Sevier County, State of Utah, hereby adopts the Central Valley Town General Plan as updated July 19,2023.

Adopted the 19th day of July 2023.
